REPLIES TO QUESTIONNAIRE ON IMPORT LICENSING PROCEDURES

Turkey

Revision

The following communication dated 2 May 1990 has been received from the delegation of Turkey in response to the questionnaire on import licensing procedures annexed to L/5640/Rev.6. It updates and replaces information previously contained in document L/5640/Add.29/Rev.4.

With the Decree of Import Régime published in the Official Gazette No. 20405, effective as from 17 January 1990, the import licensing system in Turkey has been terminated by the abolition of the list of goods subject to permits. Therefore, there exists no import licensing practice at present that can be subject to a notification.
