## MEXICO - ESTABLISHMENT OF A NEW SCHEDULE LXXVII

### Communication from Mexico

The following communication, dated 25 October 1990, has been received from the Permanent Mission of Mexico.

---

With reference to the Decision of the CONTRACTING PARTIES of 16 July 1990 (L/6707) granting Mexico a waiver from the provisions of Article II of the General Agreement in respect of application of the Harmonized System as from 1 July 1990, I would appreciate your advising the CONTRACTING PARTIES that Mexico requests an extension until 30 June 1991 of the time-limit established in that Decision.

As you know, the documentation concerning Schedule LXXVII - Mexico was submitted on 16 October 1989, and the relevant consultations and/or negotiations are being conducted with the CONTRACTING PARTIES which expressed their interest in accordance with the pertinent procedures.

Nevertheless, it will not be possible to finalize these consultations and/or negotiations within the period of the waiver granted until 31 December 1990, which is the reason for the need for the extension mentioned in the first paragraph of this communication.
