CLOSING STATEMENT BY DR HECTOR GROS ESPIELL  
CHAIRMAN OF THE MINISTERIAL MEETING OF THE  
TRADE NEGOTIATIONS COMMITTEE  
BRUSSELS 7 DECEMBER 1990

"Our Brussels meeting has made a substantial contribution to advancing the negotiating process. I have nevertheless reached the conclusion that participants need more time to reconsider and reconcile their positions in some key areas of the negotiations. We are, therefore, not in a position to conclude the Uruguay Round during this Brussels Ministerial Meeting. More time is also needed to ensure that the positions of all participants in the negotiations are fully taken into account, in accordance with the multilateral character of the negotiations. We shall deploy our best efforts in undertaking this task.

"In doing so, we are mindful of the need to conduct an effective evaluation of the extent to which the objectives relating to differential and more favourable treatment for developing countries are being attained.

"I therefore propose that Mr. Dunkel, in his capacity as Chairman of the TNC at Official level, be requested to pursue intensive consultations in the period from now until the beginning of next year with the specific objective of achieving agreements in all the areas of the negotiating programme in which differences remain outstanding.

"For my part, I remain at the disposal of participants in the consultations and shall be in constant daily contact with Mr. Dunkel.

"During the period in which Mr. Dunkel is conducting consultations, the TNC may be convened at any time at short notice. We request Mr. Dunkel

to reconvene the TNC at the appropriate level to conclude the negotiations at the date he considers appropriate in the light of his consultations.

"Mr. Dunkel and I will remain in close contact throughout this process.

"The consultations Mr. Dunkel is to conduct will be based on the draft Final Act embodying the results of the Uruguay Round Multilateral Trade Negotiations which was submitted to the Ministerial Meeting of the TNC in Brussels (document MTN.TNC/W/35/Rev.1, dated 3 December 1990), including the cover page which refers to the Surveillance Body and the communications which various participants have sent to Brussels. Naturally, Mr. Dunkel will also take duly into account the considerable amount of work carried out during our Brussels meeting, although it does not commit any delegation. In this connection I should like to thank the Ministers who have helped me so efficiently during the past days in Brussels, namely Mr. Hassan Abouyoub, Dato Seri Rafidah Aziz, Mr. John Crosbie, Mrs. Anita Gradin, Mr. Mats Hellstrom, Mrs. Yvonne van Rooy and Mr. Jaime Serra Puche.

"We wish Mr. Dunkel luck and reaffirm our determination to ensure that, with the extension of the Uruguay Round for a brief period following the Brussels conference, results will be achieved that will be significant for all participants."
