EXPLANATORY NOTES

1. The products subject to the various restrictions are shown in the list, and arranged by their respective BTN numbers.
2. The United States have indicated an interest in all items listed.
3. Type of restrictions: the following symbols are used in the list.
 - RK Imports under commodity quota.
 - D Import licence required.
 - DL Import licence.
 - 1/ Effective 20 June 1968, the Federal Secretariat for Foreign Trade is issuing special accordances for the importation of these goods - these accordances will complement, not replace, the existing system for obtaining foreign exchange. Thus after getting the accordance, the importer must then meet the requirements of the foreign exchange category governing the item. Issuance of the accordance does not constitute permission to buy foreign exchange.
