MEETING OF SEPTEMBER 1978

Summing-up by the Chairman

1. The Group met on 20 September 1978.
2. It invited the Secretary-General of UNCTAD or his representative to attend as an observer.
3. The Group reviewed the situation with regard to negotiations on a possible safeguard code and noted the documentation before the Group, i.e. MTN/INF/17, MTN/SG/W/39, MTN/SG/W/40 and MTN/INF/17/Add.1. A number of general comments and suggestions relating to various provisions of a draft code and the future work of the Group were made.
4. The view was expressed that consultations and negotiations among delegations would need to be continued and intensified but that the Group would be reconvened at short notice to continue negotiations as necessary.
