GENEVA PROTOCOL (1979)

Schedule LXIX - Romania

The secretariat has received the following communication, dated 10 July 1979, from the Commission of the European Communities.

---

The Community hereby states that, so far as it is affected, the annex to the Protocol that relates to the Romanian schedule of concessions does not modify the position it adopted with regard to the customs tariff of Romania at the time of that country's accession to the General Agreement and, subsequently, in the Working Group examining that tariff, which has not completed its task.
