TARIFF OFFERS BY SPAIN

The delegation of Spain has transmitted to the secretariat a list of Spain's offers of tariff reductions. The offers are presently available in one copy only which can be consulted in the secretariat (office 1021, extension 2117). A distribution of copies to all participants in the MTN will be made shortly.

The delegation of Spain points out that the offers now tabled represent a maximum offer that may be subject to adjustments in the light of the direct and indirect benefits that Spain will obtain in the negotiations.
