REPUBLIC OF KOREA

Revision

At its meeting of July 1977, the Group "Non-Tariff Measures" adopted procedures for the submission of request lists regarding any non-tariff measures (MTN/NTM/35, paragraph 7(a) and Annex).

The following initial request lists, addressed to Australia, Austria, Canada, the European Communities, Finland, Japan, New Zealand, Norway, Sweden and the United States, have been received from the delegation of Korea and are being circulated for the confidential information of all participants in the multilateral trade negotiations.

These request lists cancel and replace those circulated in document MTN/NTM/R/39 of 10 March 1978.

The Government of the Republic of Korea reserves its right to modify or supplement the lists as the bilateral negotiations proceed.
