Group "Agriculture"

CIRCULATION OF REQUEST LISTS

BRAZIL

At its meeting of July 1977, Group "Agriculture" adopted procedures for the submission of request lists regarding tariff and/or non-tariff concessions for agricultural products (MTN/AG/7, paragraph 6(a) and Annex).

In accordance with these procedures, the following request lists, addressed to the European Communities, Japan and the United States have been submitted by Brazil and are being circulated for the confidential information of all participants in the multilateral trade negotiations.

Brazil's request for products within Chapters 25 to 99 of the CCCN have been circulated as document MTN/NTM/R/36.

The Brazilian delegation has asked that attention be drawn to the following:

"Please find enclosed the initial lists of Non-Tariff Measures requests from Brazil to the United States, to the European Communities and to Japan.

"These lists cover products falling within both CCCN Chapter groups 1-24 and 25-99. They are being submitted in accordance with the procedures established both in Group "Agriculture" and in Group "Non-Tariff Measures" (MTN/AG/7 and MTN/NTM/35) - and subject to the requirements of confidentiality agreed thereupon.

"The contents of the attached lists are of a preliminary nature. The Brazilian authorities reserve the right to modify or supplement them in the future."
