Rectifications of a Formal Character

Note by the Secretariat

In the Procès-Verbal embodying the results of the Multilateral Trade Negotiations, representatives acknowledged that the texts listed therein might be subject to rectifications of a purely formal character that did not affect the substance or meaning of the texts (MTN/28, paragraph 1). An airgram (GATT/AIR/1565) inviting delegations to communicate suggestions for formal rectifications to the secretariat by 1 June 1979 was circulated on 8 May 1979 and suggestions from delegations for rectifications were circulated in MTN/ME/W/33.

Rectifications¹ to the English text of document MTN/ME/8 are listed below:
