MEETINGS OF NEGOTIATING GROUPS

Note by the Chairman

Revision

Document MTN.GNG/W/12 announced two changes which had been made, following consultations, in the schedule of third meetings of Negotiating Groups as it had been agreed by the GNG on 26 June 1987. These changes have necessitated further consultations as a result of which I wish to inform participants of two additional changes in the schedule. The Negotiating Group on Subsidies will now meet on 6 and 8 October, instead of 28-29 September. The Negotiating Group on the Functioning of the GATT System will meet on 28-29 September instead of 6 and 8 October. A revised schedule of Negotiating Group meetings between 14 September and 9 October appears below.

GATT Articles	-	14-15 September
MTN Agreements and Arrangements	-	17-18 September
Safeguards	-	5, 6 and 9 October
TRIPS	-	23-25 September

TRIMS	-	1-2 October
