Corrigendum

The following correction should be made to document MTN.GNG/NG8/W/15.

Under section II: "Agreement on Implementation of Article VI", point I: "Introduced into commerce of another country, Article 2:1," the last sentence of the first paragraph should read as follows:

"However, the possibility should be given in very special circumstances to initiate the investigation at an earlier stage, e.g. after a contract has been concluded."
