**Indicative List of Cuba**

The following communication, dated 29 June 1988, has been received from the delegation of Cuba with the request that it be circulated to all participants.

This communication contains the indicative list of products of particular interest for Cuba.

This communication supplements the submission by my country and other countries contained in document MTN.GNG/NG6/W/8 of 3 June 1987. These lists are aimed at achieving the fullest liberalization of trade in tropical products in regard to tariffs and all non-tariff measures.

The delegation of Cuba reserves the right to introduce amendments or additions to its lists of products during the negotiating process.
