TROPICAL PRODUCTS
Indicative Lists Submitted by Egypt

The following communication dated 15 September 1988 received from the delegation of Egypt is circulated to all participants. The communication contains indicative lists addressed to Austria, Canada, Finland, Japan, Norway, Sweden and Switzerland.

Allow me to communicate to you herewith an indicative list of products of particular interest to Egypt. It is addressed to Austria, Canada, Finland, Japan, Norway, Sweden, Switzerland under the procedures adopted by the Negotiating Group on Tropical Products on 29th January 1988. This communication is further to the joint submission of an initial list of products made by Sri Lanka, Egypt and other countries in Document MTN.GNG/NG6/W/8 on 3/7/1987. The aim in making these submissions is to seek the fullest liberalization of trade in tropical products covering tariffs and all non-tariff measures. Furthermore, these submissions are without prejudice to Egypt's position on the modalities and techniques which may be agreed upon under a general approach by the Negotiating Group on Tropical Products. Egypt reserves the right to amend, add or withdraw to its lists of products.
