TROPICAL PRODUCTS

Indicative List Submitted by Argentina

The following communication dated 3 July 1989 has been received from the delegation of Argentina with the request that it be circulated to the members of the Group.

I have the pleasure to transmit herewith the indicative list of products on which Argentina would be interested in negotiating with the European Economic Community in the framework of the Negotiating Group on Tropical Products:

<u>Product</u>	<u>Measure to be Negotiated</u>
Groundnut oil	Reduction in tariff level
Groundnut pellets	Phytosanitary restrictions (aflatoxins) in Denmark and the United Kingdom

My Government reserves the right to submit additional indicative lists.
