RECOGNITION OF LIBERALIZATION MEASURES

Communication from Argentina

The following communication dated 28 September 1990 has been received from the delegation of Argentina with the request that it be circulated to the Group.

I have the pleasure to refer to the negotiations underway in the Negotiating Group on Tropical Products.

In this connection, and in accordance with the decision adopted at the informal meeting of the Group on 25 September, I wish to inform you that our delegation has submitted to the Negotiating Group on Non-Tariff Measures a notification concerning the autonomous liberalization measures taken by our Government since September 1986 in that area. The document has been circulated under the symbol MTN.GNG/NG2/W/69 and W/69/Rev.1.

I should like to point out that two of the headings listed in the Annex to document MTN.GNG/NG2/W/69/Rev.1, concerning Chapter 48, have been eliminated by Resolution No. 176, of 27 August 1990, of the Department of Industry and Trade. Consequently, at present only twenty-five headings, relating to the motor vehicle industry, are subject to import licencing.
