COMMUNICATION FROM THE EUROPEAN COMMUNITIES

Preliminary Conditional Offer by the European Communities
of Initial Commitments on Trade in Services

The attached is a preliminary offer by the European Communities of initial commitments under the future General Agreement on Trade in Services. This offer is conditional.

The Community is tabling this offer with a view to facilitating progress in this week's negotiations. Its maintenance and its adjustment will depend on the achievement of a satisfactory outcome in those negotiations regarding the General Agreement itself as well as the associated annexes. The proposal is furthermore based on the assumption that the draft decision regarding procedures for the negotiation of initial commitments contained in document MTN.TNC/W/35/Rev.1 will also be accepted as part of the outcome of the Ministerial Conference.
