MACAU

Statement by Mrs. Alexandra Costa Gomez,
Permanent Representative

Macau would like to join other delegations in welcoming the successful conclusion of this Round of negotiations and in congratulating and paying tribute to you, Mr. Chairman, and to the GATT Secretariat, for the efforts and dedication spent in these last years to make this possible.

I would like also to emphasize the fact that, although Macau became a contracting party of this international forum only in 1991, and considering the small size of our economy, characterized as a liberal economic system and free port, it has nevertheless made its contribution to this Round of negotiations with comprehensive offers in trade in services and market access.

Finally, Macau, being a small partner in world trade, looks forward to an enforced multilateral trading system.
